Subject:— Rules and Notifications under the Factories Act 1934

[redacted] No Factories II | 45

233-A

Office of the R.L.A.

A revised draft notification is sent herewith.

2 Attention of the P.& S.D. is invited to the revised draft notification sent with R.L.A.'s No. 2057, dated the 7th March 1942. In the Second Schedule to that notification against entry No. 26 reference is made in column 4 to section 39(2) so far as it relates to section 36. It is not clear why P.& S.D. changed the wording of this entry so as to read "39(2) so far as it relates to sections 36,39(3) to 39(8), 40, 41, 42, 76 and 77". Apparently the change from 'section' to 'sections' is a mistake. Before new sections 45 and 48 are added as proposed to the sections already applie' to the class of places in q estion it would be necessary to correct this mistake. The revised draft notification rectifies this mistake as also a similar mistake made in entry 28 in the Second Schedule.
